

BIBLIOGRAPHY OF BOOKS & ARTICLES ON PERVERSION

Collated by Richard G. Klein; rgklein@postmark.net

Most of these articles are selected on the basis of being in the Freudian-Lacanian Field. They all seem to fall into about 3 or 4 categories: Fetishism; Disavowal; The Drive and the Law: The Clinical Structures of Perversion, Psychosis, and Neurosis. This bibliography is by no means complete and is a work in process.
